...and click on "Send Password":

Lost your Password?

Please enter your e-mail address then click on the Send Password button. You will receive a new password shortly. Use this new password to access the site.

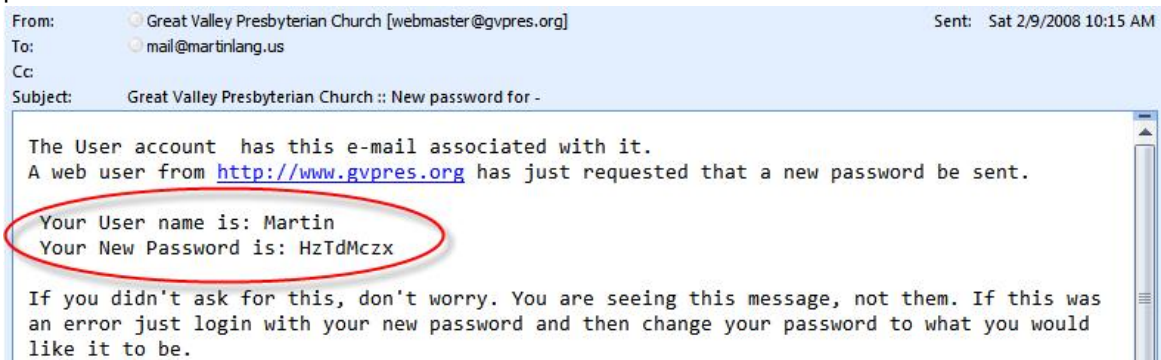

E-mail Address:

Send Password

- (3) The website will confirm, that a new eMail was sent out with this message:

New User Password created and sent!

- (4) You'll receive an eMail to your eMail account, that contains your user and a new password:

From: Great Valley Presbyterian Church [webmaster@gvpres.org] Sent: Sat 2/9/2008 10:15 AM
To: mail@martinlang.us
Cc:
Subject: Great Valley Presbyterian Church :: New password for -

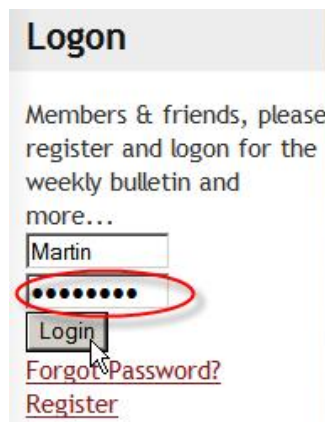

The User account has this e-mail associated with it.
A web user from <http://www.gvpres.org> has just requested that a new password be sent.

Your User name is: Martin
Your New Password is: HzTdMczx

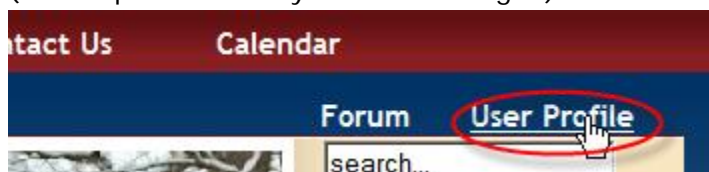

If you didn't ask for this, don't worry. You are seeing this message, not them. If this was an error just login with your new password and then change your password to what you would like it to be.

- (5) You might want to change the password again to something more meaningful (and easier to remember)

To do that logon with the password mentioned in the eMail:

- (6) Click on User Profile at the top right of the screen (these options are only visible after logon)

- (7) Click on Edit and then "Update Your Profile":

- (8) Enter your new Password in the "Contact Info" area and click on "Update"
You 'll have to enter the password twice to verification.
