MOMMY AND ME

A program at Preschool in the Valley for Mother and Child

Mommy and Me is a program designed for children ages 18 -29 months, who are beginning to make the transition from home to school. Facilitated by an experienced teacher, this small group experience will give the parent and child positive social interaction through a variety of activities, including songs, games, stories, and crafts. Sessions will also include time for exploration with blocks and manipulatives, play-dough, puzzles, paints, and other art mediums.

Classes will meet every Friday, from 9:15 to 10:15 during the regular school year.

The year will be divided into two semesters, September through December, and January through April, and the cost for each semester is \$200.00. To register, please complete the attached form, enclose the fee of \$200, and return it to the Preschool Office.
