**IV. The Clear Choice**

**Point to Ponder:** Why do you think such gruesome imagery is used? Could it be to grab our attention so that we don't push off a decision about the end, as something not as important as a decision about the events of next week?

**Disclaimer:** Too often studies of Revelation among believers become mired in simply defending our own interpretive framework. We use words like “preterist, futurist, historicist, and idealist.” We pile on prefaces (pre, post, and a) to define our view on the millennium. I have my own view on these subjects, yet I will strive to preach this series from the book of Revelation with no agenda to convince you of my view. While the careful listener may be able to guess my viewpoint, my hope in this study is to proclaim truths that all who love the scriptures can affirm.

**Next Week:** Next week we will look at the text of **Revelation 22:1-6** asking: *The Place of Your Dreams - Can You Imagine?*
