Discipleship in Everything:
Discipleship in the Church
Hebrews 10:24-25

Question: What is to be our purpose with those around us?

I. Consider

~Let us consider...one another

II. Spur on

~ Spur on towards love and good deeds

III. Meeting Together

~ Let us not give up meeting together

IV. Encourage

~ Let us encourage one another...as you see the Day approaching

Point to Ponder: We are called to encouraged one another “all the more as you see the Day approaching.” That day is fast approaching. It races toward us through either the end of history or our own deaths, both of which will bring us into the presence of our Lord. This is a call to urgency in the encouragement we give to others - if quitting time is almost here the diligent workers do not stop their work; but rather doubles their efforts. **What evidence of urgency might be seen in your life or in our life together as a congregation?**

Next Week: Join us next week as Keith concludes his series on *Discipleship in Everything* by having us to look to Paul’s council to Timothy in **II Tim. 2:2** - *Discipleship that Pays it Forward*.
