**Point to Ponder:** Think for a minute about how this world is so unpredictable - surprise diagnosis, sudden death, the pink-slip you didn't see coming, the market crash no one saw coming... **In such a world as this, what would it mean if we could clearly see Jesus as the one who is worthy to carry out God's great purposes in history?**

**Disclaimer:** Too often studies of Revelation among believers become mired in simply defending our own interpretive framework. We use words like "preterist, futurist, historicist, and idealist." We pile on prefaces (pre, post, and a) to define our view on the millennium. I have my own view on these subjects, yet I will strive to preach this series from the book of Revelation with no agenda to convince you of my view. While the careful listener may be able to guess my viewpoint, my hope in this study is to proclaim truths that all who love the scriptures can affirm.
