**Points to Ponder:** *"The grass withers, the flower fades, but the word of the of God will stand forever"* (Isaiah 40:8). These words were spoken long ago to the Israelites when their future looked very bleak. In these words, God assured the Israelites that whatever may lie ahead for them, they may know that God's Word of promise to them - would not fail! Can you trust your future to the promises God makes in His Word? God's Word – What's it to you?

**A Note to Parents:** Please know that the children and youth who leave the service during the sermon are looking at the same passage we are considering. We hope that you will initiate a conversation with them about this portion of God's Word.

**Next Week:** Next week we will begin a new sermon series entitled: *The Way We Could Be* by looking at **James 1:1-4 Facing Trials with Joy.**
