

*Finishing Well*  
**Lest We Try to Do the Impossible**  
Hebrews 6:1-12

**Question:** How important is it to mature in our faith in Jesus?

**I. Grow Up (1-3)**

~ Go on to maturity

**II. A Solemn Warning (4-8)**

~ It is impossible...to restore (those who have fallen away)

**III. Better Things Expected (9-12)**

~ We feel sure of better things

**Point to Ponder:** Would you call yourself a follower of Jesus? If your answer is yes, then great! But our passage is pressing us to think about growth, our process of maturation. How would you describe that? If our growth has flat-lined, if we feel ourselves simply going through the motions just to look the part – then God's Word here should push us on to maturity by warning us of a point of no return.

**Next Week:** Next Sunday we will continue our sermon series *Finishing Well*, by considering **Hebrews 10:26-39** 'Lest We Go on Sinning Deliberately.'
