Am I Missing Boldness in Prayer?  
Luke 11:5-13

**Question:** Why should we boldly ask of God in prayer?

**I. If a Grumpy Reluctant Friend Responds... (vs. 5-8)**

**II. Then Surely God will Give when We Ask (9-10)**

**III. If an Earthly Father Gives Good Gifts, How Much More Then... (11-13)**

**Points to Ponder:** When we fail to pray, ask why do we fail to pray? Is it that we are merely too busy, or is that we are not convinced concerning our God's intention towards us? Let's ask ourselves: if I really took to heart the things Jesus teaches in this passage how would my prayer life change?

**Next Week:**

Next Sunday morning we will continue our sermon series entitled *Stories with Intent* by considering **Luke 12:16-21** *Am I Missing Wealth's Grip on My Heart?*
