

What Child Is This?
The Faithful Witness
Revelation 1:4-6 (page 1218)

I. Jesus Tells us the Truth in a World of Half-Truths

II. Jesus Tells us the Truth Concerning our Need
~ Revelation 3:14-17

III. Jesus Tells us the Truth Concerning the Remedy
~Revelation 3:18-20

IV. Jesus Will Speak the Truth about Us on Judgement Day
~ Matthew 10:32-34

Point to Ponder: Have we heard the truth of our lives accurately; or have we only listened to sweet lies? Take time this week and read Romans 5:6-11. Circle all the things that describe the truth concerning us apart from Jesus. Depending upon your translation you should find words like: weak, ungodly, sinners, enemies. Now take a highlighter and highlight the things that describe the truth of what Jesus will do in the face of such great need. You should find words like: justified, saved, reconciled. Thanks be to God that in Jesus, we have one who loves us enough to tell us the ugly truth concerning ourselves. Yet He does this in order that He might tell us the wondrous truth of the great remedy that only He can provide.

Next Week: Next Sunday we will continue our Advent sermon series entitled “*What Child Is This?*” taken from Revelation 1:4-6. The second title we will consider together is: *The Firstborn of the Dead.*
