

Finishing Well
Lest We Drift Away
Hebrews 2:1-4

Question: What is the trajectory of our life? Is it one leading us closer to Jesus, or is there a subtle drifting away?

I. The Danger Named (Drifting) and a Call to Action (1)
~ We must pay much closer attention!

II. The Negative Motivation not to Neglect (2-3a)
~ How can we escape if we neglect it?

III. The Positive Motivation not to Neglect (3b-4)
~ You know it is true!

Point to Ponder: Let's do a little analysis of the trajectory our life by asking in each of the following areas: are we increasing or decreasing? 1) Becoming more like Jesus; 2) Delighting in Worship; 3) Delighting in God's Word.

Next Week: Next Sunday we will continue our sermon series *Finishing Well*, by considering **Hebrews 3:7-19** 'Lest We are Hardened by Sin's Deceitfulness.'
