Colossians 1:9-14

I. Praying for Lives Worthy of our Lord and Pleasing to Him (9-10a)

II. Praying for Lives that Bloom (10b)

- ~ bearing fruit in every good work
- ~ increasing in the knowledge of God

III. Praying for Lives Strengthened for Endurance (11)

IV. Praying for Lives of Thankfulness to God (12-14)

- ~ who has qualified us, delivered us, and redeemed us

Point to Ponder: Would you consider taking this next week to daily to ask God for similar things that Paul asked for the Colossian believers – but now asking those things for the people of Great Valley? Let's be asking our Great God, who has done such wondrous things for us, to change the lives of this fellowship - to the end that we might live lives worthy of the Lord and pleasing to Him.

Next Week: Next Sunday we will continue our sermon series entitled *Christ Who Is Your Life* by considering **Colossians 1:15-20** 'The Preeminence of Christ.'
