

*Joining God on His Mission*  
**Seeking Direction for the Mission**  
Acts 16:6-10

**Question:** What should we expect (or not), concerning the route we take as we join God on His mission?

**I. We May Not Know the Future (vs. 6-7)**

~so be ready to be confused, but know that God is not

**II. Confusion about the Big Picture Need Not Paralyze Us (vs. 8)**

~ so don't let confusion be an excuse for kingdom lethargy

**III. Put the Puzzle Together with Other Believers (vs. 9-10)**

~so be thoughtful with others in setting a course on God's mission

**Point to Ponder:** If you are really struggling to “find God's will” and feel paralyzed in it, allow me to suggest a short easy read: “Just Do Something: A Liberating Approach to Finding God's Will” by Kevin DeYoung

**Next Week:** Next Sunday we will continue our sermon series entitled *Joining God on His Mission* by considering **Acts 16:11-15** ‘Working with God for the Mission.’
