

I Am
The Bread of Life
John 6:35

Question: What do we most greatly long for in life? And what lies behind that longing? What void in us are we trying to fill?

I. The Context: Looking for the Wrong Bread (vs. 35a)

II. The Big Reveal: I Am the Bread of Life (vs. 35b)

III. The Invitation: Come, Believe and Be Satisfied (35c)

Point to Ponder: Do you see Jesus as one whom you simply cannot do without? If we see Jesus as he is, then we will know that our deepest longings will only be met in him. And if we understand that truth, then why would we not come to him and believe him?

Next Week: Next Sunday we will continue our sermon series entitled *I Am* by considering **John 8:12-20** 'I Am the Light of the World.'
