

Christ Who Is Your Life
The Reconciliation in Christ
Colossians 1:21-23

Question: What's your story?

I. The Story of Who We Were Apart from Christ (21)

~ *"they are darkened in their understanding, alienated from the life of God (Eph. 4:18a)*

II. The Story of Who We Are (and Will Be) in Christ (22)

III. The Proof That this is Our Story in Christ (23)

Point to Ponder: We tend to live into the story we tell ourselves. So, let's ask ourselves: how much does the story of who I am in Christ define my life (i.e. my dreams, my priorities, my longings, my conversations)?

Next Week: Next Sunday we will continue our sermon series entitled *Christ Who Is Your Life* by considering **Colossians 1:24-29** 'Present Everyone Mature in Christ.'
